Important Questions	Answers	Why This Matters:
What is the overall <a href="#">deductible</a> ?	<p><b>\$5,000</b> Individual Plan Year Deductible  <b>\$10,000</b> Family Plan Year Deductible.</p> <p><b>Out-of-Network :</b>  <b>\$10,000</b> Individual Plan Year Deductible  <b>\$20,000</b> Family Plan Year Deductible</p>	Generally, you must pay all of the costs from providers up to the <a href="#">deductible</a> amount before this <a href="#">plan</a> begins to pay.
Are there services covered before you meet your <a href="#">deductible</a> ?	Yes.	This plan covers some items and services even if you haven't yet met the deductible amount. But a copayment or coinsurance may apply. For example, this <a href="#">plan</a> covers certain <a href="#">preventive services</a> without <a href="#">cost-sharing</a> and before you meet your <a href="#">deductible</a> . See a list of covered <a href="#">preventive services</a> at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits/">https://www.healthcare.gov/coverage/preventive-care-benefits/</a> .
Are there other <a href="#">deductibles</a> for specific services?	No.	You don't have to meet <a href="#">deductibles</a> for specific services.
What is the <a href="#">out-of-pocket limit</a> for this <a href="#">plan</a> ?	<p><b>\$7,500</b> Individual  <b>\$15,000</b> Family</p> <p><b>Out-of-Network:</b>  <b>\$15,000</b> Individual  <b>\$30,000</b> Family</p>	The <a href="#">out-of-pocket limit</a> is the most you could pay during a coverage period (usually one year) for your share of the cost of covered services. This limit helps you plan for health care expenses.
What is not included in the <a href="#">out-of-pocket limit</a> ?	Premiums, balance-billed charges, and health care this plan doesn't cover.	Even though you pay these expenses, they don't count toward the <a href="#">out-of-pocket limit</a> .
Will you pay less if you use a <a href="#">network provider</a> ?	<b>Yes.</b> See <a href="http://abadmin.com">abadmin.com</a> or call 1-866-366-3124 for a list of network providers.	This uses a <a href="#">provider network</a> . You will pay less if you use a <a href="#">provider</a> in the plan's <a href="#">network</a> . You will pay the most if you use an <a href="#">out of network provider</a> , and you might receive a bill from a <a href="#">provider</a> for the difference between the provider's charge and what your <a href="#">plan</a> pays ( <a href="#">balance</a>

billing). Be aware, your network provider might use an out of network provider for some services (such as lab work). Check with your provider before you get services.

Do you need a referral to see a specialist?

No.

You can see the specialist you choose without permission from this plan.

 All copayment and coinsurance costs shown in this chart are after your deductible has been met, if a deductible applies.
